COMMUNITY COLLEGE

LEARN • ENGAGE • BELONG

Dear Prospective Student:

Thank you for your interest in the Fire Training Academy at Sandhills Community College. We have a team of highly qualified, experienced and dedicated instructors who are committed to meeting your educational needs and professional development. Collectively and individually, they will assist you in establishing a competent, confident and complete sense of preparedness for your future in the fire service arena throughout North Carolina.

The Sandhills Fire Academy delivery is designed to provide you with your Firefighter I/II and HazMat Materials Ops Certification, as well as the following additional certifications: Technical Rescuer and EMT-Basic. The curricula for these programs are reviewed and approved by the NC Office of the State Fire Marshal, NC Office of EMS and the NC Community College System. All administrative matters are handled through Sandhills Community College.

The Sandhills Fire Academy curriculum consists of three main classes with multiple blocks of instruction for each class. Many of the blocks have practical skill elements and each block of instruction is concluded with a practical and cognitive testing instrument. A cadet must successfully complete all practical and cognitive skill testing in each and every block of instruction prior to certification as a Firefighter. The EMT-Basic portion of the academy prepares a student to sit for the state certification exam for EMT-Basic.

Persons interested in enrolling in the Fire Academy should turn in their packet as early as possible to ensure Academy has sufficient enrollment. Completed application packets with school coordinator confirmation are processed based on the order they are received. Students will be notified of their application and/or acceptance status as they are reviewed. Classes will be held Monday through Thursday from 8:30 am until 5:00 pm and Friday 8:30 am to 4:00 pm with some exceptions for training that requires alternate time frames.

The completed application, including completed physical examination, needs to be submitted to Donnie Smith at Sandhills Community College. The packet may be delivered to Sandhills Community College in person or mailed to Sandhills Community College, Attention: Donnie Smith at 3395 Airport Road, Pinehurst, NC 28374.

THE ENTIRE PACKET MUST BE COMPLETED

Several documents, with a better insight into the academy, have been included with this packet. Should you have further questions, please contact:
